RAMANI A/S ALL-SEASON

The **Ramani All-Season** - engineered to inspire confidence in every drive. Rain or shine, the Ramani keeps you firmly in control. Backed by a **50,000-mile treadwear warranty** and **road hazard protection**, the Ramani is available in **57 sizes**—consolidating the legacy of Lionhart's LH-501 and LH-503 into a single, high-performance solution.

It offers outstanding treadwear, grip, and heat resistance, making it a dependable choice for drivers who demand performance without compromise. The Ramani isn't just another all-season tire—it's the new standard.

FEATURES AND BENEFITS

Innovative Cross-Groove Drainage System

Rain or shine, stay in command. Our cross-groove drainage system—featuring expertly engineered longitudinal grooves and aerodynamic lateral channels—sweeps water away with precision. The result? Superior traction on wet roads, improved fuel efficiency, and a smoother, more comfortable ride.

Seamless Central Rib Construction

Experience a new level of confidence at high speeds. The sleek, continuous central rib delivers rock-solid stability and responsive forward motion, while robust main tread blocks lock in maximum rigidity for razor-sharp handling and thrilling, sporty performance.

Precision-Optimized Shoulder Engineering

Enjoy the ride without the roar. The semi-closed shoulder tread pattern dampens road noise, creating a quiet, refined cabin experience. Meanwhile, reinforced shoulder blocks boost cornering stability, delivering confident handling and an extra layer of safety and comfort.
